JOB DESCRIPTION

JOB TITLE:	Bank Staff Nurse
-------------------	-------------------------

Department: LauraLynn Hospice Services

Report to: CNM 2/ Manager in Charge

DEVELOPMENT AND PERFORMANCE REVIEW

3 Months – Pre-performance assessment

6 Months – Performance assessment

FUNCTION

To provide nursing care and support to children with life-limiting conditions and palliative care needs and their families that is consistent with the mission, vision, values and strategic plan of LauraLynn, Ireland's Children's Hospice Services.

The position requires staff to orientate between the Hospice and the family home based on the supports required by each individual child and their family.

DUTIES AND RESPONSIBILITIES

Main Areas of Responsibility:

1. Clinical Practice
2. Education/Professional Development
3. Research/Information Technology
4. Health and Safety
5. General

1. Clinical Practice - Care of the child and family

- To ensure the provision of excellent evidence-based palliative nursing care for children with life-limiting conditions and their families.
- To ensure that each child's care plan is followed and any areas for change are highlighted to shift leader.
- Promote Family Centred Care and ensure the provision of a welcoming caring and safe environment for the children and their families.
- To act as an advocate for the child and family ensuring the provision of appropriate information and support services
- To communicate complex and sensitive information effectively to the child, their families, carers and other staff, overcoming any barriers to understanding and providing support during distressing and emotional events.
- Communicate effectively, promoting open and trusting relationships.
- To be aware of the uses, safety precautions and handling of equipment in LauraLynn and within the family home.
- Ensure children's records are update and documented routinely.
- Support the provision of effective communication between all members of the multidisciplinary team, other departments, relatives and visitors.
- Ensure quality care is given, by being familiar with agreed Policies and Procedures.
- Assist in ensuring the safety of the area of work and the risk management process by reporting any incidents.
- Participate in events or publications that promote LauraLynn.
- Assist with ensuring compliance with the children's standards and other quality initiatives

2. Educational/Professional Development

- To be a resource for students and junior colleagues, facilitating the development of junior staff.
- Teach parents the clinical skills required to care for their child safely at home.
- Demonstrate a professional approach to work and act in accordance with NMBI Code of Professional Conduct at all times.
- To have the knowledge of and adhere to policy and professional standards. To ensure that team members do likewise.
- To maintain confidentiality surrounding the child's admission and treatment at all times.
- Ensure documentation is complete and up to date, in line with LauraLynn guidelines.
- To identify own learning needs and ensure own professional development is maintained by keeping up to date with practice developments.
- Participate in staff appraisal, staff development and in service training activities.
- Maintaining the necessary clinical skills and knowledge is important in this role. This being the case the postholder must ensure their continuous development including abiding by any professional code of practice or ethical code applicable to the role. It is also incumbent on the postholder to ensure all mandatory training deemed necessary is up to date.

3. Research/Information Technology

- Ensure the most effective and efficient use of developments in information technology for both the delivery of care to the child and administrative support in a manner which integrates well with systems throughout the organisation.

4. HEALTH AND SAFETY

In respect of Health and Safety these duties must be performed in accordance with LauraLynn's health and safety policy. In carrying out these duties the employee must ensure that effective safety procedures are in place to comply with the Health, Safety and Welfare at Work Act. Staff must carry out their duties in a safe and responsible manner in line with LauraLynn Policy as set out in the safety statement, which must be read and understood.

5. QUALITY, RISK AND SAFETY RESPONSIBILITIES

It is the responsibility of all staff to:

- Comply with the policies of LauraLynn with regard to confidentiality and GDPR.
- Participate and cooperate with legislative and regulatory requirements with regard to Quality, Risk and Safety
- Participate and cooperate with LauraLynn Quality and Risk and Safety initiatives as required
- Participate and cooperate with internal and external evaluations of the centres structures, services and processes as required, including but not limited to, The National Hygiene Audit, National Decontamination Audit, Health and Safety Audits and other audits specified by the HSE or other regulatory authorities
- To initiate, support and implement quality improvement initiatives in their area which are in keeping with LauraLynn quality, risk and safety requirements.

6. SPECIFIC RESPONSIBILITY FOR BEST PRACTICE IN HYGIENE

Hygiene in healthcare is defined as *"the practice that serves to keep people and the environment clean and prevent infection. It involves preserving one's health, preventing the spread of disease and recognising, evaluating and controlling health hazards"*.

- It is the responsibility of all staff to ensure compliance with LauraLynn hygiene standards, guidelines and practices.

- Department heads/managers have overall responsibility for best practice in hygiene in their area
- It is mandatory to attend infection control training yearly

The above job description is not intended to be a comprehensive list of duties and responsibilities and consequently the post holder may be required to perform other duties as appropriate to the post which may be assigned to him/her from time to time and to contribute to the development of the post when in office. This job description may change in line with the changing needs and objectives of the organisation.

FLEXIBILITY:

This post requires a high level of flexibility to ensure the delivery of an effective and efficient service. Therefore the post holder will be required to demonstrate flexibility on occasion as and when required by their manager.

DIGNITY AND WELFARE OF PATIENTS:

As a health care provider all staff are expected to behave towards service users and their families in a caring, professional and responsible manner. In line with the Trust in Care policy it is the duty and responsibility of all employees of LauraLynn, including this post holder, to report any concerns for the safety and welfare of patients to their line manager or head of department.

DIGNITY AT WORK:

All members of staff at LauraLynn have a right to be treated with dignity and respect and to work in a safe environment which is free from all forms of bullying, sexual harassment and harassment. Thus, all staff, including this post holder, have a responsibility to help maintain such a working environment. All employees must comply with the national/LauraLynn Dignity at Work policy and ensure that their behaviour does not cause offence to fellow workers or any person with whom they come into contact during the course of their work.

CONFIDENTIALITY:

In the course of his / her employment, the person appointed may have access to or hear information concerning the medical or personal affairs of service users or staff or other health service business. Such records or information are strictly confidential and unless acting on instructions of an authorised officer on no account must information be divulged or discussed except in the performance of normal duty. In addition, records must never be left in such a manner that unauthorised persons can obtain access to them and must be kept in safe custody/destroyed in accordance with policy when no longer required.

DRESS CODE / UNIFORM:

Attire and personal appearance must, at all times, conform to a standard LauraLynn considers appropriate. Staff attached to certain departments may be required to wear a uniform or other protective clothing. Where applicable any such requirements as detailed by the immediate supervisor must be adhered to at all times.

HYGIENE:

Being a health institution hygiene plays a central role in maintaining a clean and healthy environment for our service users, families, visitors and staff. All employees of LauraLynn must always be mindful of their responsibility to maintain a high standard of hygiene including personal hygiene and as part of their role within the organisation.

HEALTH AND SAFETY:

LauraLynn is committed to providing a healthy and safe working environment for all staff. Each staff member has a legal obligation to carry out his/her duties in a safe and responsible manner in line with the policy as set out in the LauraLynn safety statement.

HEALTHCARE ASSOCIATED INFECTIONS (HCAIs)

In order to reduce the risk of HCAIs, compliance with Infection Prevention and Control policies and the attendance at infection control training, are essential for all staff members. It is paramount that each staff

member practice good hand hygiene techniques. Staff members have a responsibility to report any obstacles to maintaining high standards of Infection Control and hand hygiene to their line manager or Infection Control Team

QUALITY:

To ensure the provision of the highest possible quality of service to our patients, all employees at LauraLynn have a responsibility to ensure adherence to and participation in internal and external quality control and assurance programmes on an ongoing basis.

Note: This job description is an outline of current broad areas of responsibility and accountability and should not be regarded as a comprehensive listing. As the role develops in the organisation this job description may be reviewed in light of possible new structures and/or changing needs of the organisation.

TERMS AND CONDITIONS

TENURE:

This is an "If and when required" contract of employment

REMUNERATION:

Full Time Salary Range €15.90 to €24.50 per hour gross, **in line with October 1st, 2021, Health Sector Consolidated Pay Scales*.
