Go Green Day Hat

What you will make:

A fun way to celebrate is by colouring and wearing this free printable Go Green Day hat. It's a creative activity that will help get everyone into the spirit, perfect for home or the classroom!

Here's what you need:

- Go Green Day hat template, print in A3 size
- White cardstock (or printer paper, but cardstock works best)
- Crayons, markers, or coloured pencils
- Scissors
- Tape or glue

How to make a Go Green Day hat:

- Download and print the free hat template, print in A3 size
- Colour the hat using your favourite art supplies
- Cut out the pieces
- Tape or glue one of the side sections to the middle of the hat
- If the hat needs to be bigger, you can add the second side section
- Wrap the hat around your head and tape it in place, trim any extra paper if needed

Go Green Day Hat

Go Green Day

For LauraLynn

Simply download, print in A3, cut out the crown, colour and cut out all the pieces, tape or glue the side sections to the main section. Cut off the excess or tape the ends together.

Go Green Day
Shamrock

What you will make:

Make a fun Go Green Day shamrock craft. It's simple to do: just print, colour, cut, and glue.

Here's what you need:

- Go Green Day shamrock template, print in A3 size
- Crayons, markers, coloured pencils, or paint
- Scissors
- Glue or tape

How to make a Go Green Day shamrock:

- Download the Go Green Day shamrock template
- Print the template on A3 white paper
- Colour the shamrock using crayons, markers, coloured pencils, or paint
- Cut out the pieces of the shamrock
- Glue the pieces together

Bonus Idea:

- Turn your finished shamrock into a card! Glue it onto a folded piece of paper and add your own message.
- This is great for younger kids to practice colouring and cutting, and older kids can add extra decorations like stickers or designs.

Go Green Day Bunting

What you will make:

Celebrate Go Green Day with our LauraLynn bunting. This simple flag is made with paper and a printable Go Green Day pattern.

Hang it in a doorway, on the wall, or in the window to add some green to your space for Go Green Day for LauraLynn!

Perfect for family, classroom, or group craft time, this project uses easy materials and is quick to make with a little help.

Here's what you need:

- Paper
- Go Green Day bunting template, print in A3 size
- Scissors
- String
- Tape

How to make a Go Green Day bunting banner:

- Download the Go Green Day bunting
- Print the template on A3 white paper
- Cut along the green dotted line
- Fold paper along the orange line
- Cut a piece of string long enough for the flags
- Fold the paper over the string and tape the edges to secure it in place
- Hang the banner using tape, tacks or whatever is appropriate for the place/surface being decorated with the banner
