Art activities in LauraLynn are a fun space for children and families to freely express and enjoy themselves.

St Patrick's Day in LauraLynn

Here at LauraLynn, we hold our very own St Patrick's Day parade for the children who attend our hospice. Here's **Anaya** who is a sibling of a LauraLynn child. And here's **Killian** who attends LauraLynn.

We organise these fun events to **create precious memories** for the children who use our services as well as their siblings, parents and wider family. So, we hope you enjoy celebrating St Patrick's Day alongside them this year.

Thank you for making your St Patrick's Day celebration an extra special day by supporting LauraLynn children and their families.

Have a great day!
